

## FOR LOAN (POSSIBLE SALE) - Benjamin Button 'Ben'

14.1hh, 6 yr old, well marked, dark skewbald Irish gelding

Ben is a straightforward, little Irish cob with no vices. He is excellent to hack alone or in company, has good manners and not phased by traffic or open spaces. Ben has been shown in-hand and under saddle and won in coloured classes, dressage and attended PC rallies in all disciplines. He has 3 good paces and will work in an outline and is a careful show jumper, he really enjoys cross country.

He attended PC Senior Camp in 2011 and went clear x-country and show jumping.

Good to handle, catch, shoe, clip, bath, box, etc. Currently out during the day and in at night – has lived out all summer though.

Not suitable for a complete novice as he is young and needs a firm leg but is showing lots of promise. He is looking for an experienced home with someone who has the time to bring him on and get him out and about and realise his potential – he will make a great all rounder and a perfect hunting pony.

Currently in Cobham, Surrey. Would consider short or longer term loan. Ideally to stay in Area 11.
